Slight pain in the side, the skin and eye  
assume a thick yellow coat, digestion is  
impaired, an unpleasant sinking sensation  
at the pit of the stomach is experienced,  
the bowels are irregular, the mind fretful,  
the memory wretched, sometimes a slight  
cough, coldness of the hands and feet,  
sometimes loss of appetite and at others  
unnatural craving for food, dizziness of  
the head, depressed spirits, feeling of un-  
certainty, of having left something un-  
done, between tell what it is. Take Sim-

GREAT FORTUNES.

Great fortunes are not easily acquired in  
these days of sharp competition and base  
treachery. Even when they are acquired,  
they too often find the possessor a mere  
week, having made a drudge and slave  
himself by toiling incessantly for that  
which he is permitted to hold for a few  
brief months before he is laid away in the  
grave. We must confess that in this view  
of the case the "Great Henderson Co.,  
Ky., Prize Scheme" has powerful attrac-  
tions for even the most staid. Here are  
great fortunes, to be won without haggard  
toil, and the whole secured by a legal chal-  
lenge, and in the hands of men of most un-  
doubted integrity. We are ready to aid  
any of our friends who may command us  
in securing tickets or information about  
this matter.
